

LEARNING COMMUNITY OF DOUGLAS AND SARPY COUNTIES

ELEMENTARY LEARNING CENTER PROGRAMMING INTERLOCAL AGREEMENT

This ELEMENTARY LEARNING CENTER PROGRAMMING INTERLOCAL AGREEMENT ("Agreement") is entered into as of June 20, 2024, by and between the **Learning Community of Douglas and Sarpy Counties**, a Nebraska political subdivision ("Learning Community") and **Douglas County School District 0001, aka Omaha Public Schools**, a Nebraska political subdivision ("District").

WHEREAS, Learning Community is statutorily authorized to establish a system of elementary learning centers to enhance the academic achievement of elementary students within Learning Community, particularly students who face challenges in the educational environment due to factors such as poverty, limited English skills, and mobility; and

WHEREAS, pursuant to the Interlocal Cooperation Act (Neb. Rev. Stat. §§ 13-801 – 13-827) (the "Act"), public entities are authorized to enter into an agreement for joint or cooperative action so as to make the most efficient use of their powers, and this Agreement is made and entered into pursuant to the Act;

WHEREAS, Learning Community has determined that, in addition to offering programming through elementary learning centers, offering programming in partnership with member school districts, including District, is an effective means to fulfill its statutory mission; and

WHEREAS, District is willing to offer elementary learning programming in cooperation with Learning Community pursuant to this Agreement and the Act.

NOW THEREFORE, in consideration of the mutual agreements, promises and covenants set forth herein, Learning Community and District (each referred to herein individually as "Party" and collectively as "the Parties") agree as follows:

1. Interlocal Agreement. This Agreement is entered into pursuant to the Act. No separate legal entity is created by this Agreement, and no property will be acquired which would need to be disposed of upon termination. This Agreement will be administered on behalf of District by its Chief Academic Officer and on behalf of Learning Community by its Executive Director, Elementary Learning Centers ("ELC ED").

2. Statement of Work.

a. Pursuant and subject to the terms and conditions set forth in this Agreement, Learning Community hereby agrees to provide funding and District agrees to undertake and conduct the program(s) more specifically set forth in the Elementary Learning Center Programming Description(s) & Budget(s) in the form(s) submitted by District and approved by Learning Community (including any amendments thereto) (collectively and individually, the "Program"), a summary of which is marked as Exhibit "A" attached hereto and by this reference incorporated herein (all references herein to the "Agreement" include the Agreement as supplemented by the Elementary Learning Center Programming Description(s) & Budget(s) in the form(s) submitted by District).

b. The purpose of the Program is to enhance the academic success of elementary students of District, particularly students who face challenges in the educational environment due to factors such as poverty, limited English skills, and mobility.

3. Performance Period. The initial term of this Agreement shall be for a period of one (1) year and shall coincide with the timeframe(s) identified on Exhibit "A", unless earlier terminated as provided in this Agreement (the "Initial Term"). Unless either Party provides written notice to the other Party of its intent to allow this Agreement to expire at least thirty (30) days in advance of the natural conclusion of the Initial Term, this Agreement shall automatically renew for additional one (1)-year terms coinciding with the timeframe(s) identified on Exhibit "A", subject to earlier termination as provided in this Agreement (the "Extended Term"). Notwithstanding the foregoing, neither party to this Agreement shall hold the other party responsible for damages or delays in performance caused by acts of God, strikes, lockouts, accidents, or other events beyond the reasonable control of said party.

4. Fiscal Agent. District shall be the fiscal agent for the Program. As fiscal agent, District shall be solely responsible for compliance with the terms and conditions set forth in this Agreement related to the incurring of Program expenses, including the approval thereof, the payment of any and all bills and invoices related to the Program, and the submission of financial reports to Learning Community related to the Program.

5. Elementary Learning Center Program. The Program shall be implemented as an Elementary Learning Center program of Learning Community and District. Funding for the Program shall be provided from the Elementary Learning Center Fund Budget of Learning Community (the "Program Amount"). The Parties acknowledge and agree that the Program funding provided under this Agreement may not be the exclusive source of funding for the Program. The ELC ED shall, on behalf of and for Learning Community, have general oversight of the Program with regard to compliance by District with the terms of this Agreement, but shall have no authority with regard to the implementation, day-to-day operations or staffing of the Program, which shall be the sole responsibility of District.

6. Participants. District shall determine how many students will enroll in the Program and select the students that will participate in the Program; provided, however, that the Program shall not have an official enrollment of less than fifty percent (50%) of the projected enrollment set forth in the Program.

7. Program Funding.

a. The Program Amount will be paid in monthly installments over the course of the Initial Term and, if applicable, the Extended Term, and paid in arrears pursuant to statements submitted to Learning Community for costs incurred and services rendered by District during the previous calendar month. Such statements will be provided to Learning Community on or before the fifth (5th) calendar day of the month following the month to which such statement applies, with the first such statement to be received by Learning Community on or before September 5, 2024 (i.e. covering August 2024). Upon the written request of Learning Community, District will provide accurate and reasonable documentation substantiating all itemized expenses set forth in such statements. Payment of approved statements (or portion(s) thereof) will be made by Learning Community on or before the twentieth (20th) day of the month following the month in which the applicable services were provided.

b. The final monthly payment will be remitted subsequent to the termination of the Program or expiration of the Extended Term, whichever occurs first, and submission of the final report to Learning Community pursuant to Section 8.b of the Agreement. The final report will include a statement for Program services provided during the Initial Term and, if applicable, the Extended Term, which statement will set forth an itemized listing of expenses actually incurred by District and will be accompanied by documentation substantiating all itemized expenses set forth on such statement. Learning Community will, after review and approval of the statement submitted by District, remit the final monthly payment to District within thirty (30) days after receipt of the final report; provided,

however, that the amount remitted in the final monthly payment will not result in the total amount paid to District exceeding either the lesser of the budget amounts reflected on Exhibit A of the Agreement or the total amount of Program expenses actually incurred by District. If, upon receipt and review of the final report, Learning Community has, after application of all remittances made pursuant to Section 7.a and this Section 7.b. of the Agreement, made payments to District which exceed the total amount of Program expenses actually incurred by District, District will refund to Learning Community the amount by which the total remittances made by Learning Community exceed total expenses actually incurred.

c. The amount(s) to be paid by Learning Community as provided under Section 7.a and 7.b shall constitute the entire amount of funding by Learning Community for the Program. Learning Community shall not be liable for any further costs, including, but not limited to, such items as overhead, social security, pension, employment compensation, taxes, additional payments or any other expenses, incurred by District in the performance of the services related to the Program.

d. District expressly agrees and acknowledges that District shall be solely and exclusively responsible for the day-to-day operations of the Program and for any and all payments to any contracted service providers contracted by District for services related to the Program. Learning Community shall not be responsible for any payment to any such contracted service providers for services related to the Program and District specifically acknowledges that Learning Community has no obligation for providing the day-to-day operations of the Program or for any payments of any kind or nature to any contracted service providers, other than its obligation to reimburse District for Program expenses as provided in Sections 7.a and 7.b.

e. Learning Community reserves the right to withhold or suspend any payment(s) to be made by Learning Community pursuant to this Agreement, or to require a total or partial refund of Learning Community funds, if, as determined by Learning Community in its sole discretion, such action is necessary: (i) because District has not complied with any material term or condition of this Agreement; (ii) to protect the purposes and objectives of the Program; or (iii) to comply with changes in the requirements of any law or regulation applicable to Learning Community, District, or the Program.

f. District expressly agrees and acknowledges that the enactment of legislation by the Nebraska Legislature subsequent to the date of this Agreement which either eliminates or reduces the levy authority of Learning Community pursuant to Neb. Rev. Stat. § 77-3442(2)(i) may result in the termination of this Agreement by Learning Community in accordance with Section 12 herein. District further expressly acknowledges and agrees that funding of the Program following the Initial Term is subject to change due to reallocation of funding within the subcouncils, availability of Carryover Funds from the Initial Term, and ultimate approval by Learning Community.

g. In the event that the Program is terminated or suspended for any reason before payment of the Program expenses incurred by District, Learning Community will pay to District within thirty (30) days of submission by District to Learning Community of an invoice for any unreimbursed Program services provided during the Initial Term or Extended Term and for the costs of terminating any contracts with vendors or other third parties providing services or material for the Program, which invoice shall set forth an itemized listing of expenses actually incurred by District and shall be accompanied by documentation substantiating all itemized expenses set forth on such invoice.

8. Reporting.

a. Within sixty (60) days of the termination of the Program or expiration of the Initial Term, whichever occurs first, and within sixty (60) days of termination of the Program or expiration of the

Extended Term, whichever occurs first, District shall collect and report to the Munroe-Meyer Institute for Genetics and Rehabilitation, University of Nebraska Medical Center ("Evaluator"), the third-party evaluator of the Program retained by Learning Community, or such other qualified third-party evaluator retained by Learning Community and who is compliant with the Family Educational Rights and Privacy Act, as amended ("FERPA"), specified demographic and program evaluation data, as follows: (i) that data specified in the Program; and (ii) data mutually agreed upon by District, Learning Community and Evaluator. Learning Community acknowledges and agrees that any personally identifiable student information obtained by Evaluator from District pursuant to this Agreement is subject to FERPA, and in accordance with District's position thereon, such personally identifiable information shall not be disclosed to Learning Community, and Learning Community will not be provided access to such personally identifiable information.

b. Within sixty (60) days of the termination of the Program or expiration of the Initial Term / Extended Term, whichever occurs first, District shall prepare and submit to Learning Community a written final Program report ("Report"). The Report shall include a narrative description of Program activities and accomplishments, including progress made on student learning outcomes and evaluation data described in the Program, and a detailed accounting of all expenditures made from payments received pursuant to Sections 7.a and 7.b. Said Report shall be submitted to the ELC ED. At the request of Learning Community, District shall make a live presentation of the Report to the appropriate achievement subcouncil of Learning Community Coordinating Council, and the Elementary Learning Centers Task Force.

9. Obligations of District.

a. District is responsible for administering and conducting the Program in accordance with this Agreement and for maintaining documentation of all actions taken and expenditures incurred with regard to the Program. District acknowledges that failure to comply with the requirements of this Agreement could result in suspension or termination of the Program Amount by Learning Community and could result in District being required to return Learning Community funds to Learning Community. Prior to commencing the Program, District shall have submitted a fully-executed Statement of Assurances regarding the Program to Learning Community with this Agreement.

b. The ELC ED, or other designated representative of Learning Community, will be permitted to conduct pre-arranged site visit(s) to the Program during the Initial Term and Extended Term, as applicable in order to evaluate the Program, the provision of services, and the administration and implementation of the Program. For purposes of this Section 9.b, such site visits shall be scheduled by the ELC ED, or other designated representative of Learning Community, with District not less than 24 hours in advance.

c. Absent express approval from Learning Community, funds provided by Learning Community pursuant to this Agreement shall be accounted for separately in the financial books and records of District. District shall be responsible for establishing and maintaining adequate financial records for the Program, which records shall include a systematic accounting of the receipt and disbursement of Learning Community funds, and shall retain original substantiating documents related to specific expenditures of Learning Community funds and shall make these records available for review by Learning Community, or its designated representatives, upon request. District shall keep all financial records with respect to this Program for at least four (4) years following the year during which the Initial Term or Extended Term ended, whichever is later. Learning Community, or a designated representative thereof, reserves the right, upon prior written notice, to audit District's books and records relating to the expenditure of any funds provided by Learning Community related to the Program.

d. District shall assure that all District employees providing services in conjunction with the Program shall have the appropriate credentialing or other licenses required by state law. District shall require, via contract with any contracted provider of Program services, that such third party shall require that its employees have the appropriate credentialing or other licenses required by state law.

e. As permitted by law, District shall conduct, for its employees providing Program services who will, or may, directly interact with children a criminal background check, a national sex offender registry check, and a Nebraska Sex Offender Registry check, and District shall require, via contract with any contracted provider of Program services, that such third party conduct said checks on all officers, employees and volunteers of said contracted provider involved with the Program, as permitted by law, who will, or may, directly interact with children. Neither District nor, if applicable, a contracted entity shall knowingly permit the involvement with the Program of any officer, employee or volunteer of said entity who does not pass all checks.

f. If applicable, District shall assure that all entities with whom District contracts to provide services for the Program have a license to operate in Nebraska, if such a license is required by law.

g. District shall procure and maintain at all times during the Initial Term and Extended Term, and, if applicable, shall require that all contracted service providers with whom District contracts for the Program procure and maintain at all times during the Initial Term and Extended Term, as applicable, the following minimum types and amounts of insurance:

i. Commercial General Liability Insurance providing coverage to District and naming Learning Community as Additional Insured on a primary and non-contributory basis, including completed operations, with limits of not less than \$1,000,000 per occurrence, \$2,000,000 general aggregate, \$2,000,000 product and completed operations aggregate, and \$1,000,000 personal and advertising injury. District shall waive its rights of recovery against Learning Community and will obtain a waiver of subrogation from its insurer. Such waiver of subrogation shall be contained in the policy or in an endorsement attached to the policy in favor of Learning Community;

ii. Sexual Abuse & Molestation coverage with a limit of not less than \$500,000 each occurrence and \$1,000,000 in the annual aggregate;

iii. Professional or Educator's Legal Liability insurance with a limit of not less than \$1,000,000 each claim;

iv. Automobile Liability insurance with a combined single limit for bodily injury, death and property damage of not less than \$1,000,000 per accident, which coverage shall apply to all owned, hired and non-owned vehicles used by District, its employees, agents, representatives, volunteers in conducting the Program;

v. Workers' Compensation Insurance covering District and its employees for all costs and statutory benefits and liabilities under the Nebraska Workers Compensation Act and any similar laws for its employees, and Employer's Liability Insurance with limits of not less than \$100,000 each employee injury, \$100,000 each employee disease, and \$500,000 policy limit for all accident injury or disease. District may self-insure for Worker's Compensation coverage. District shall waive its rights of recovery against Learning Community and will obtain a waiver of subrogation from its insurer. Such waiver of subrogation shall be contained in the policy or in an endorsement attached to the policy in favor of Learning Community; and

vi. Umbrella / Excess Liability Insurance with limits of not less than \$1,000,000 each occurrence which shall provide additional liability coverage in excess of the Commercial General Liability, Auto Liability and Employer's Liability.

Before District or any contracted service provider shall be permitted to begin work or provide services, District and all such contracted service providers shall provide Learning Community with evidence of such insurance issued on a standard ACORD Certificate of Insurance as will meet all insurance requirements stated in this Agreement. It is the sole responsibility of District and any contracted service provider to provide Learning Community with written notice should any required insurance pursuant to this section be cancelled or non-renewed. Failure of District or a contracted service provider to provide and maintain all insurance required, or failure to provide written notice, shall not relieve District or such contracted service provider of its obligation under this Agreement.

By requiring insurance under this Agreement, Learning Community does not represent that the coverage and limits required will necessarily be adequate to protect District or its contracted service providers for all claims or amounts of loss. Such coverage and limits shall not be deemed or construed to be any limitation of District's, or its contracted service provider's, liabilities under any indemnification obligations provided to Learning Community under this Agreement.

h. District shall allow Learning Community to review and approve the text of any proposed publicity or external communication concerning the Program prior to its release, which approval shall not be unreasonably withheld. Learning Community may include information regarding the Program, any photographs provided by the parties, and any general information about the parties and their activities in any external communications of Learning Community; provided, however, that Learning Community shall not use any District logos or trademarks without the prior approval of District, which approval shall not be unreasonably withheld.

10. Obligations of Learning Community. Learning Community shall:

a. Provide funds to District in a manner consistent with the terms and conditions of this Agreement; and

b. Comply with the terms and conditions of this Agreement, as well as all applicable laws, rules, and regulations applicable to Learning Community

11. Warranties & Representations. District hereby warrants and represents to Learning Community that:

a. The Program and use of Learning Community funds will comply with the terms of this Agreement, as well as all applicable laws, rules and regulations applicable to District and the Program.

b. There is no fact known to District, its board members, officials, employees, representatives or agents which would materially affect the decision of Learning Community to enter into this Agreement which was not been disclosed to Learning Community.

c. District is responsible for administering the Program in accordance with this Agreement and for maintaining documentation of all actions taken and expenditures incurred with regard to the Program. District acknowledges that failure to comply with the requirements of this

Agreement could result in suspension or termination of the Program Amount by Learning Community and could result in District being required to return Learning Community funds to Learning Community.

12. Termination. Either party may terminate this Agreement, with or without cause, at any time prior to the natural conclusion of the Initial Term or the Extended Term, as applicable, upon sixty (60) days prior written notice to the other party; provided, however, that performance may be terminated with immediate effect by Learning Community upon delivery of written notice to District if Learning Community determines, in its reasonable judgment, that District is in material breach of this Agreement.

20. Amendment. This Agreement may only be amended or modified by written agreement of all parties hereto. The parties hereto agree that amendments or modifications to the Program services, activities or budget which do not increase the total Program Amount set forth in this Agreement may be approved on behalf of Learning Community by Learning Community's Chief Executive Officer or Executive Director.

21. Severability. Should any part hereof or any sections of this Agreement be rendered or declared illegal, invalid or unenforceable by any court of competent jurisdiction, the remaining portions of this Agreement shall not be affected thereby.

Executive Summary

Describe how services will be delivered, population to be served and organizational experience and capacity:

Omaha Public Schools is requesting funding to provide an Instructional Coach/FTE at Dodge and Sunny Slope. Instructional Coaching is an integral part of the Omaha Public Schools Strategic Plan to raise academic achievement. Instructional coaching assists with the consistent delivery of instruction across the district and the implementation of specific instructional strategies for designated subgroups. Highly collaborative in its nature, instructional coaches work closely with the Department of Curriculum, Instruction and Support to assist school personnel to understand their role in implementing effective early literacy instruction. There are potentially 39 teachers that will benefit from this professional development. We have staff in place to fill this funding request.

We are requesting additional funds to allow us:

1. To recruit and hire an Early Literacy Community Facilitator (ELCF), a position that will be supporting schools in subcouncils 1, 2, 3 & 5. This position will be used to continue the focus on early literacy by engaging with families and community stakeholders to connect literacy initiatives across the OPS attendance area. One such partnership is with Nebraska Growing Readers, to increase the flow of books into the homes of OPS families. The ELCF will also organize the distribution of 1000 family home literacy engagement packs as a way to network and leverage the strengths our families bring to the schools and support them in their home literacy practices. The ELCF would work on a needs assessment for family and community engagement, and the creation of electronic and print communication resources to share early literacy information. Additional projects would be guided by the PreK -12th Grade OPS Literacy Planning Committee.

Funds not expended as indicated above will be used yearly to:

1. Purchase early literacy materials and training for the four schools in subcouncil 1 that have higher than 60% free and reduced lunch and ed benefits: Dodge, Masters, Prairie Wind, and Sunny Slope. Schools will be provided with a list of options that include student manipulatives such as letter and sound kits, sound box boards, etc., and classroom literacy materials such as books, bookshelves, etc. These purchases will benefit PreK -2nd grade classrooms and are above and beyond what is provided in school budgets.
2. Provide additional professional learning opportunities in literacy prioritizing teachers from subcouncil schools, opened district-wide if space is available.
